

## Doug's Corner

So it has been a crazy week. I am so glad to have Beverly back from vacation. So much has been going on.

Don't forget that we will start Bible classes back next Sunday. It will be great to meet for class once again.

I had planned on taking pictures of our kids starting last Sunday. But with me preaching and so few here we didn't do it. Since I am preaching again today, we will just wait until next week to take pictures.

I still want schedules for our children's activities. I have started placing schedules on one of the bulletin boards. There are only 3 schedules up, but do check them out to support our children.

### THANK YOU!

Good morning, church family! I want to start off by expressing my heartfelt gratitude to everyone for the calls and notes of encouragement that you've given us over the past couple of weeks. We're also thankful to those who have lifted our family up in prayer, and who have

taken the time and effort to prepare meals for us. Throughout the whole ordeal, we've been constantly reminded of how blessed we are to be part of the family of God.

It's incredible that through the blood of Christ God has united a group of people from all walks of life, from all ethnicities, and from all points along the socioeconomic spectrum. We don't all have the same preferences or hobbies, but we do share the same goal, which is to bring glory to God.

My friends, you have glorified God. During the last few weeks several of our families at Bell Avenue have been sick with Covid-19 or other illnesses, but you helped us all to bear our burdens in some very real ways.

True Christianity is much more than thinking the right things. True Christianity happens where the rubber meets the road. When we use our God-given talents and abilities to bless the lives of our friends and neighbors during their time of need, we are being the hands and feet of Christ.

In Matthew 25:37-40 we read the following: *"Then the righteous will answer him, saying, 'Lord, when did we see you hungry and feed you, or thirsty and give you drink? And when did we see you sick or in prison and visit you?' And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'"*

So again, I say "Thank you!" and may we all continue to love and serve one another and those around us in God-honoring ways.
