Prayers

Kenley Martin's surgery went well. Thank you for all your prayers!

Freida Walker was in the hospital last week with a brain bleed. It seems that she had a blood platelet problem initially caused by a medication. They are giving her steroid treatment which should help her system stabilize platelet levels.

Roberta Littlefield is at the Craig Rehab, room 538. She hopes to go home soon.

Lisa Johnson's brother, Jan Davis, started treatment for lung cancer Monday.

Please keep them and those on our list in your prayers.
